Post-Conference Evaluation Questions for the
Sisters of Charity of Nazareth
Advancing Mission Conference
October 27-29, 2015

---

1. Were the issues/topics addressed in this training significant and strategic?

2. Do you feel your fund development program will be strengthened by the information shared in these sessions? If so, how?

3. Did you have sufficient opportunity to offer input and discuss the topics raised?

4. Did you receive the agenda and meeting materials far enough in advance to be well informed and know what to expect?

5. What was the high point or most effective/productive point of the training?

6. Thinking ahead, where would you benefit from further consultation or training?

7. What else would you like to share?
